

SMART Goals

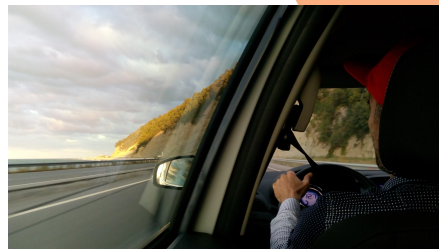

Isabella Hansen

01.

Attain Drivers Permit over the Summer

I plan on studying Driver Ed throughout the Summer and commit to taking a practice quiz every week to ensure the best outcome from my official test. I hope to be able to learn how to drive by the end of summer.

02.

Commit to a reading schedule throughout the Summer

I plan on reading and completing one book every two weeks to thoroughly enjoy the book. By the end of Summer, I will hopefully have been able to finish multiple books and series.
